

Product Overview

From the Velena range of stylish mobility aids comes an ergonomic fold-up shower seat with soft-close mechanism.

Made from strong, durable materials, Velena seats can withstand a maximum capacity of 440lbs and benefit from a robust aluminum leg which offers fantastic support and vastly reduces the impact of weight loading on the wall and fixings, making them incredibly safe to use.

Velena seats come in a choice of two monochromatic colors: simple white or matte black. For greater flexibility when installing, try our Velena Seat with Adjustable Leg.
